

# Old Man Emu **BP-51** Suspension

4x4 suspension you  
can adjust to suit you.

BP-51 shock absorbers  
feature class leading  
bypass technology  
with user adjustable  
rebound and  
compression damping  
meaning you can  
tune your shocks for  
comfort and handling,  
track-side, to suit the  
terrain and vehicle load.
