1, REMOVE EXISTING ECU DISPLAY

Please remove your dummy ECU, bracket, and brochures from display. Graphics are recyclable and are to be placed in your plastic recycling bins.

2, INSTALL NEW DISPLAY

Lift the Snorkel brochures as close to the display snorkel as the slatwall allows.
Continue touring merchandising below as pictured.

3, WHAT TO DO IF YOU DO NOT CURRENTLY HAVE THIS DISPLAY INSTORE?

All ARB Classic stores are required to have this display set up in their showrooms.
If you are yet to set this up in your store please place this display alongside your touring zone.

4, SEND THROUGH COMPLETED PICS

All ARB Classic stores are to send through completed set up pics through to their State Managers.
