All tubs with a slide kitchen are to install a “Slide Kitchen Inside” ticket.

This will be sent directly to all Flagship and Classic stores, with Velcro attached for easy installation, straight onto the drawer. This is to be displayed on the left top corner of the kitchen drawer only.

If any Stockists would like this ticket, please contact Jackie <jyole@arb.com.au>.

Please ensure your tub displays reflect the latest VM Guide, (Tub Update APRIL 2021) found on Dealer Dashboard.
