To: All stores and stockists  
From: Marketing  
Subject: Toby Price Tour  
Date: Wednesday 18 August

Toby Price, famed for his incredible off road motorbike skills and nice guy personality, joined the ARB Marketing team on a trip through the South Australian countryside exploring some well-known spots and having a laugh along the way.

The trip starts in Beachport and sees the team head up the beach to Robe, then carry on to Bendleby Ranges Station to tackle Billy Goat Ridge and Willow Springs to drive Skytrek. Delving further into the Flinders Ranges, the team explores Brachina Gorge before moving onto Angorichina Station to check out a 170-year-old shearing shed and Toby takes a shot at the mini Dakar track. The trip ends at the famous outback pub, the Prairie Hotel.

We will launch the series, named Toby's Tour, on August 22nd with a weekly episode drop on YouTube, supporting posts on Instagram and Facebook, and a landing page on our website ([www.arb.com.au/tobys-tour](http://www.arb.com.au/tobys-tour)). Further to this, we'll have reels advertising the episodes for Instagram and Toby will be running a few competitions on his page. We encourage all ARB team members to follow Toby on Instagram and Facebook.

We'd love all stores and stockists to support this content on your own pages with the following collateral available from Dealer Dashboard:
