ARB Sun Shades

- Vehicle specific fitment for over 28 vehicle models (with more to come)
- Silver exterior coating reflects sun from the vehicle reducing heat exposure
- Black backing supports a darker and more private interior, reducing heat absorption
- Interior foam skeleton core ensures once open, it stays fixed easier
- Being unique to each vehicle windscreen shape allows mounting between the trim and glass gaps, so no suction cups or straps are required to locate the sun shade
- Durable storage bag provides a protective, but neat, storage solution
