

NACHO® GRANDE

# LIGHT YOUR WAY

NACHO's larger offering has been engineered meticulously to withstand anything that gets thrown at it. The Grande is an innovative lighting solution that performs unlike any other light, providing illumination performance in a tough and eye-catching package.

- **User-Controlled Customisation:** At the tap of the side of the Grande with the magnetic wand, the beam pattern and output can be adjusted. The built-in module allows you to tailor the lights to suit your off roading needs.
- **Innovative Body Design:** The polycarbonate exoskeleton includes Forced Air Induction and Light Engine Protection, maximising airflow for optimal cooling and performance.
- **Simplified Mounting System:** The Grande's patented universal mount system allows for surface mounting providing versatile installation options.
