

ARB INTREPID ROOFTOP TENT

Compact in transit. Spacious in living.

The ARB Intrepid Slimline Aluminium Rooftop Tent delivers 36% more internal space than traditional clamshells, with room to move, change and relax. Slim at just 18cm closed, it stays lightweight on the road and opens into a spacious living area at camp. Its modular design and broad accessory range lets you tailor your setup to suit your travel style, climate and vehicle. Adventure awaits with the ARB Intrepid.
