I acknowledge and understand the fitting procedure(s) that are about to be undertaken on my vehicle. I understand that in the fitting of some product(s) the vehicle will be modified from its original state, and it may not be possible to return to OEM standard. I also acknowledge that the vehicle has been inspected and any visible or noticeable damage has been noted. I also understand unless requested beforehand, all of the parts removed from my vehicle will be disposed of at the time of fitting. I also acknowledge that I have removed or made ARB aware of any valuable personable belongings present in the vehicle.
